To our Family and Friends,

We are honored that you are here to share this day with us. We consider it a blessing from God that we are supported by so many people who represent such diverse moments from our present and past.

Our selected scripture speaks to the necessity for love in our relationships and our communities. It is through the love that we have for each other and the love that you have shown us that God's presence is most clearly seen in our lives. Who we are today is a result of the influence many of you had on us, and it is our hope that our evolving relationship will be made stronger through your continued love and support.

Thank you for your presence and your love. We love you all!
